L-Series Linen Carts by TECNI-QUIP STANDARD FEATURES AND OPTIONS

Since 1961

STANDARD:

- SUPERIOR "PLATE-TYPE" CASTERS**, are placed on all TECNI-QUIP carts.
Standard: (Option I) 2 rigid and 2 swivel - allows cart to be pushed in a straight line.

UPGRADE: (Option II) Directional caster system. Push footpedal and all casters to go swivel for 360° mobility, push pedal other direction, all casters to go a 2 rigid and 2 swivel position for pushing cart in a straight line.

Note: Larger casters may be purchased for outdoor or custom towing purposes.

OPTION I

OPTION II

- SUPERIOR WHEELS***:

Non-marking wheels equipped with Precision Ball Bearings are placed on all TECNI-QUIP carts. Quiet and Smooth Rolling.

Standard: 6" x 2", Superior Precision Ball Bearing wheels, all terrain tread. Smooth and effortless roll.

UPGRADE: 8" x 2" Superior Precision Ball Bearing wheels, all terrain tread. Rule of thumb, larger wheels will create any cart to roll even easier, suggested for large sized carts.

NOTE: C-Cell is equipped with 6" post-type casters.

*Please indicate the surface cart is to be pushed on (carpet, tile, outdoor surfaces, other) our sales engineers may suggest another type of tire tread for your situation.

- CONSTRUCTION:** Carts are formed from anodized aluminum .063" thick; conform to marine and military specifications. Upper frame members are created from one-piece extruded anodized aluminum tubular sections 1.50" diameter.

- ADJUSTABLE SHELVES:** Adjustable at 1/2" increments. Formed from one piece aluminum alloy sheets. Edges form down 1" and hemmed. Custom interior shelves available.

- CART COLOR:** Standard: Silver.

UPGRADES: Vanilla, Champagne and Oak; all in vinyl laminated aluminum or powder coat to a custom color.

- FRONT COVERS:**

Standard: Standard in 16 oz. vinyl impregnated nylon, Fire retardant material. **Colors:** Slate Blue, Tan, Dark Blue, Teal, Grey and Mauve. Custom colors additional.

Optional: Transparent for full view of inventory.

Velcro or Zipper Closures: - Please choose.

UPGRADE: New Pass Through transparent overlapping strips - keeps cover down and linen easily accessible. All materials fire-retardant.

- "ERGONOMIC" RECESSED GUIDE BARS** - Carts "nest" to save space.

- I.D. ROUTING SIGN:** Located on pushing side of cart. Allows you to designate cart to specific area.

- PERIMETER & VERTICAL BUMPERS:** High impact resistant vinyl protects walls and corners; will not mark or oxidize.

- LOCKING DOORS:**

Heavy duty aluminum built in bi-fold manner. Doors fold into each other and wrap and secure on pushing side of cart. (Note adds approximated 2" to each of cart's length when opened and folded back to the secured position on carts pushing sides). **Locking Mechanism:** Equipped with 3 point aircraft lock with key (all carts can be keyed alike) or choose NEW digital lock.

OPTIONS:

- PARKING BRAKES:** Parking Brake located on one swivel caster.

- Towing Hitches:** Variety available: Please contact TECNI-QUIP for information and price list.

- Guide-out Shelves:** Pull shelf towards you to gather supplies, sturdy and easy to use for all models. Call us to discuss this option.

- Storage Drawers:** Choose from either metal drawers or plastic tote drawers with interior dividers.

- Hanging Bars for Clothes:** Can be inserted into cart full length or incorporated into multi-compartment design with shelving.

- Labeling or Logo:** Label your carts with custom transit information or enhance it with your company logo. Consult TECNI-QUIP for pricing.

- Special I.D. or Inventory signage display frames:**

(1) See thru inventory pocket sewn on front cover of cart.

(2) Aluminum inventory frame riveted to outside of cart.

- Shelf Dividers:** Moveable "T" partitions that securely attach to full length shelves, approx. 12" high. Assist to divide and organize inventory.

- Over the road transport kit:** If you will be placing these carts on a truck for transport from laundry or store room to a facility on a weekly or daily basis - we highly suggest installing this upgrade to prevent wear and tear. Consists of additional soft bumpers or rolling donut bumpers, Stainless vertical protection bumpers, webbing with quick release locks on covers + more.

Open Cart Model

Extremely Durable and Pushes Like NO Other Open Cart that has ever been manufactured!

L-55 and L-60

L - Series Open Carts are **10 x easier to push** in comparison to wire or steel carts... **GREAT American Engineering is the reason...**

- L-Series cart models are constructed around a **strong solid durable base** (not a shelf or welded dolly).
- **A beautiful arched frame** is placed on the base and secured with several hardware systems (will not shake or sway)
- Pushes extremely easily on large ball bearing **6" x 2" or 8" x 2" Non-Marking Wheels** with all the same sizes and colors as before!
- **All Aluminum Construction** – Aircraft Aluminum Construction throughout.
- **Rounded Styling** looks great in your corridors but provides so much more... **NO sharp dangerous corners & Drape Covers last 5X as long!**
